If the agent elects to make notations on the backs of the securities to serve as a record, the Bureau of the Public Debt will undertake to produce, on request, photocopies of such securities at any time up to ten years after the redemption date. However, the Bureau does not assume responsibility for the adequacy of such notations, for the legibility of any photocopy, or for failure to produce a photocopy from its records.

(c) *Securities owned by nonresident aliens.* As securities owned by a nonresident alien individual, or a nonresident foreign corporation, partnership, or association, may be subject to the nonresident alien withholding tax, bonds and notes held or received by an agent for the account of such owners must be forwarded to the designated

§ 330.7 Payment or redemption—exchange by agent.

Each specially endorsed bond or note paid by an agent must have the agent's payment stamp imprinted on its face and show the date and amount paid. Securities so paid should be combined with other securities paid under that Circular and presented for settlement through EZ CLEAR. Securities redeemed by an agent in an exchange must be presented for settlement through EZ CLEAR separately from, but at the same times as, an exchange subscription and any remittance are forwarded to the Fiscal Agency Department of the appropriate Federal Reserve Bank.

The transmittals must be accompanied by appropriate instructions governing the transaction and the disposition of the redemption proceeds or new bonds, as the case may be. The securities must be kept separate from others the agent has paid and must be submitted in accordance with instructions issued by the Bank.
